#### Reception and Pre-School Falconry Visit

Children from Willows and Acorns classes were treated to a Falconry talk on Wednesday 30th January. Children listened to the interesting facts about the different birds that visited our school. Children also had the opportunity to stroke some of the birds and were even able to watch them fly across the hall.

Mrs Gould, Pre-School Manager, said: "Willow class were amazed by the owls. They learned all about their different natural habitats. Their faces lit up with delight when they were told they could stroke them. The children's natural curiosity was a joy to see".

Miss Evans, Early Years Leader, added: 'The visit from the falconry centre links with our topic of the 'Deep, Dark Woods' and all the books we are currently reading in Acorns classes - particularly 'Owl Babies'. Meeting the birds of prey has ignited a fascination about the different species of owls and other nocturnal animals. The children learnt a lot of new information, such as the position of owls ears and why they have such incredible hearing'. One of the children said: "I liked being able to stroke the Spectacled Owl and watch the birds fly over my head."

#### Key Stage 2: 'Be Internet Legends' Assembly

On Friday the 11<sup>th</sup> of January, two visitors from Parent Zone and Google presented an assembly on Internet Safety to all of KS2. The session focussed on 'Be Internet Legends', a Google initiative designed to present online safety to children in a fun, engaging way - and this assembly was no different! The children loved finding out how to keep themselves and others safe when using the internet and learned some valuable lessons about protecting their personal information, being kind to others online, and being critical thinkers so they won't fall for fake websites and messages.

We are pleased to let you know that we will be selling Red Noses in school. Each Red Nose is individually boxed and will cost £1.25. If you would like to join us please complete the slip at the end of the newsletter confirming which seating option would best suit you and return to the office at your earliest convenience.

Please be aware that the 9.00-9.20 seating will inevitably be a popular time and you may see some queuing / delay whilst we manage this. If you are able to come in at a later time please do consider this as there should be less of a wait / delay as the morning goes on.

### Easter Service Wednesday 10th April 2019.

This years service will take place at St. John's Church on **Wednesday 10th April 2019.**

Parents family and friends are invited to join us at the service. If you are able to assist with walking the pupils to and from the school please gather in the school hall when the bell rings at 8.50am. We will then walk to church for an approximate 9.45am start.

Parents with accompanying pre-school children are welcome to join us, but will not be able to assist with supervising the pupils. Thank you.

We hope you have a very enjoyable time.

## Easter Bonnet Parade - (Friends Event) - Friday 12th April 2019.

We will be holding our Easter Bonnet and Coffee Morning in school on Friday 12th April 2019. We would like all pupils to create an Easter Bonnet which they will be able to wear during the parade.

During the morning each class will come down to the hall to parade their bonnets. Some older children who are perhaps not too keen to wear bonnets can wear something with an Easter theme if they prefer for example a decorated T-shirt or tie. Parents are invited to watch the proceedings whilst having refreshments.

The Parade times will be as follows:

Reception	9.00am
Year 1	9.30am
Year 2	10.00am
Key Stage 2	10.30am

Please be aware there may be some delay with these start times as it is difficult to predict how many people will attend.

Refreshments will be available on the day at a cost of £1.00 for a cup of tea or coffee and 50 pence per child for a drink and biscuit (**payable on the day**).

## Beauty and the Beast—Whole School Theatre Visit

Please be reminded that all contributions towards the Beauty and the Beast Theatre visit must be sent in to school by Monday 25th February ready for the visit on Friday 1st March 2019. Thank you to those families that have contributed so far - we appreciate your support.

## End of school day.

As you are aware, the end of school is 3.15pm. This is the time that teachers end the school day. Sometimes the teachers will have the children ready to leave school at this time, with their coats and bags ready. These children will therefore be quick onto the playground. Sometimes however, teachers will be working with the children right up to this time and therefore the children will be a little later on to the playground by the time they have their coats and bags ready. If this happens, please be patient, the children will be with you as soon as they are able. Thank you for your support in this.

## Playground supervision

Please could we kindly request that all children are supervised on the playground by parents/guardians before the school bell rings in the morning. We have been made aware of a couple of incidents where children have been hurt/injured by other children before school. Thank you.

## Parentapps

Please remember to send your information for our new app in asap. We need to give the information to the provider at the start of February.

To download the app please go to:

Apple - <https://itunes.apple.com/us/app/parentapps-connect/id1440730909?mt=8>

Google - <https://play.google.com/store/apps/details?id=uk.co.parentapps.connect>

Or search on the app store on your device. The app is not live yet. When it is you will receive an invitation via email or text.

### Before and After school.

We would also like to remind people that they must collect and drop off their children at the correct times i.e. if you have booked until 6.00pm you must collect at this time at the latest. If you have booked from 7.30am/8.15am **you must not arrive before this time**. All late collections and early arrivals will be charged for accordingly (a flat rate of £10.00). In the case of late collections this charge can be avoided by providing an explanation for the lateness in advance.

Booking for before and after school club are requested in advance to help us plan staffing and food requirements.

Last minute amendments cannot be refunded from booked hours as staffing has already been planned.

A minimum of 10 days or two full school weeks is required for all cancellations in order for a credit to be issued.

Thank you for your consideration in these matters.

### Battery recycling

Millfields First School has enrolled into the 'Big Battery Hunt' a nationwide challenge run by Duracell to help protect the environment. Each year over 20,000 tonnes of batteries end up in landfill. When **batteries** begin to rot away in landfill sites these chemicals may leak into the ground, which can cause soil and water pollution. When chemicals contaminate soil and water animals, humans and the environment can be harmed. **Recycling** is a great way to help protect the environment.

If you would like to safely recycle your old AAA, AA, C or D batteries please visit the school office. Please ensure you transport your old batteries safely. Unfortunately we can not accept leaking batteries for health and safety purposes.

### Millfields Social Club Defibrillator

For your information, Millfields Social Club are pleased to inform you that they now have a fully operational defibrillator on their premises. In an emergency, a 999 call operator may need to direct you to your nearest defibrillator. It is worth noting that there is also a defibrillator located on the school premises that can be accessed during school hours.

### Long Hair / Hair accessories

Please can you ensure that if your child has hair, shoulder length or below that it is tied back. This is important for Health and safety during games and PE sessions and also can help to limit the spread of head lice. Please also ensure that all hair ties are small and in line with the school colours. We do not allow 'Jo-Jo' bows or any other large hair accessories in school. Thank you.

### NUT—FREE ZONE.

May we remind all parents and carers that we are a nut free school. Therefore please do not send your child to school with any products containing nuts—this includes nut based products such as Nutella chocolate spread and bars. We have children in school that have severe nut allergies and it is essential that we have this strict rule in place.

Thank you for helping to keep our children safe.

# Forest School News

## FOREST SCHOOL

At Forest School we enrich the children's learning in ways different from inside school. The children learn to work in teams, have chances to use a variety of tools and building materials and are able to experience group time around the fire-circle.

This year we are intending to improve on our fire-circle experience by lighting fires in more sessions. To do this we need to collect wood to burn – we do harvest some from the site, but find that our stocks need replenishing on a regular basis. If anyone can donate spare firewood (timber offcuts are fine, but no nails please), please contact us.

In the forest we use building materials and sticks of all sizes. We use small twigs for craft projects right up to larger sticks for den building and thicker branches can be used to give the children a chance to saw wood slices for projects.

If you are intending to cut any trees down in your gardens, and feel you are able to donate any of these items, please complete the form below and hand in to the school office.

## GARDENING

This year we are looking forward to growing more plants at Millfields. Rather than us buying plant plugs, children will learn the whole plant life cycle by growing plants from seed and helping to look after them.

Our plan is to grow flowers, fruit and vegetables (weather permitting!) that we can sell to parents and the kitchen as fund-raising schemes.

To start with we are intending to have a class competition to see how many potatoes each class can grow in their sack. If anyone has spare seed potatoes, please donate them for the children to use.

It would also be helpful if parents could donate their unwanted flower pots, seed trays, trowels, compost and seeds. If anyone could make us a cold frame or has one spare, please let us know using the form below.

We really hope our gardening club will be a success and we're looking forward to some green-fingered fun.

For donations or more information on how you can help, please complete the slip below and bring into school or contact Rosie Dixon (Forest School & Gardening Club) via the office.
