Autumn Term 1 Year 1 Computing Overview

Key facts

1) If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately
2) Don't post any personal information online – like your address, email address or mobile number.
3) Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, it's not just yours anymore.
4) Keep your privacy settings as high as possible.
5) Never give out your passwords.
6) Don't befriend people you don't know.
7) Don't meet up with people you've met online. Speak to your parent or carer about people suggesting you do.
8) Remember that not everyone online is who they say they are.
9) Think carefully about what you say before you post something online
10) Respect other people's views, even if you don't agree with someone else's views doesn't mean you need to be rude.

Developing an understanding of how to safely connect with others

Laptops – Purple Mash

Helping Hands

Brief summary/ overview

This half term, pupils will be encouraged to think about how they stay safe on the internet when connecting with others.

They will explore the feelings that this can evoke and learn what they can do if they are worried about something.

Pupils will also begin to develop an understanding of instructions, logic and sequences.

Cross curricular links/visits

PSHE in A1 covers feeling safe, belonging, rights and responsibilities.
Online safety is also covered in PSHE in A2.
